Career in Dental Assisting is a private occupational school providing a program of study which will enable students with little or no experience to become a valuable member of the dental profession in just ten weeks. The eighty-hour program combines classroom instruction with clinical training in an ultra modern state- of-the-art dental office. Career in Dental Assisting is proud to offer as part of its program, training in advanced digital radiography, as well as instruction in a variety of topics in Dentistry. This will prepare the student for professional opportunities in quality oriented modern dental practices throughout Massachusetts.

*Massachusetts requires every dental assistant to be licensed. Additional requirements are necessary to obtain that license. This program does not qualify students to be licensed as Formally Trained Dental Assistants.

The Facility

The school which is located in Brookline, Massachusetts is able to accommodate up to 12 students. Housed in an operating dental office, instructors are able to teach students in one of multiple patient treatment rooms equipped with all necessary instrumentation so as to provide the student with a complete learning experience.

The Program

The program will include both classroom and clinical training on the following subjects:

Course #1: Introduction to Dentistry

Course #2: Basic Dental Assisting Theory – Part 1

Course #3: Basic Dental Assisting Theory – Part 2

Course #4: Assisting for Operative Dentistry

Course #5: Radiology – Part 1

Course #6: Radiology – Part 2

Course #7: Assisting for Prosthodontics

Course #8: Dental Specialties

Course #9: Introduction to Administrative Techniques

Enrollment Procedure

Students must be 18 or older and have earned a high school diploma or its equivalent. Interested individuals are invited for a tour of the facility as well as a brief interview during which time any questions they may have will be answered. Following completion of the enrollment agreement, and payment of the full tuition, the student will be admitted into the program. Registration closes 48 hours prior to the first class. CDA offers

multiple classes per year and admissions are accepted on a rolling schedule. **Page 1 of 4 Inclement Weather**

In the event of severe weather that requires school closure, admissions staff will contact students directly. Career in Dental Assisting will add an additional class to end of the schedule to ensure all coursework is complete.

Class Calendar

Classes are held on Saturdays from 9 am until 5.30 pm, with a 30-minute break being given in the afternoon. During non-class hours, the school is open to students by appointment only.

Graduation

Following successful completion of all academic and tuition requirements, receipt of a passing grade in all ten courses and dental radiography license, each student will be awarded a diploma for program completion. Additional requirements are needed to obtain a Massachusetts Dental Assistant License. No transfer credits available.

Dental Radiography License

Students are required to complete a course in radiological techniques and safeguards that meet the requirements of the Commonwealth of Massachusetts Board of Dentistry. The course offered at Boston University (BU) will satisfy the state requirement. Upon successful completion of the BU course students will be licensed to take dental radiographs in the state of Massachusetts. The cost for radiography certification from Boston University is \$250 and is separate from Career in Dental Assisting tuition.
